## A Reliable Car by a Reliable Builder

Sturdiness, Power, Economy and Beauty have always been characteristic of McLaughlin-Buick cars just as stability and honest manufacturing ideals have always been associated with McLaughlin automobiles.

This year's McLaughlin-Buick is a better car, with more power and greater inherent motor car value than any previous models, while the builders of Canada's Standard Car occupy the premier position among manufacturers of Canadian-built motor cars.

Better cars are being built and McLaughlin is building them.

## When Grandmamma Went Shopping

*The ultimate choice of the PRUDENT housewife*

She knew that good cottons were the most enduring, most attractive fabrics for wearing apparel, or household use. Her keen eye, her shrewd sense of quality never failed to choose the best values.

The woman of to-day has discovered a surer way. She asks for Prue Cottons, knowing that they are the best, price for price, and the cheapest, quality for quality.

*They are made in Canada by Canadians*
